

THE EAF BULLETIN
JUNE 2024

EDITORIAL

The June edition of the Bulletin comes at the end of a busy time for the EAF and many of its member clubs.

In this edition there are reports on the EAF Print Championship held in March, the recent EAF Annual Exhibition and the St Ives Interprint competition.

If you are in one of the very many clubs that enjoy internal and external competitions please read the Judges' Secretary's report. This expresses concern about the number of club members coming forward to be judges and challenges clubs to find more suitable candidates. On a sad note there is an obituary for Andy Hanson, who was a superb photographer and a lecturer who entertained camera club audiences across the region.

This edition also contains details about the EAF Audio-Visual Trophy in October. You may not be a seasoned AV worker but attending the competition is an eye-opener to what is being achieved in this genre. I attended last year and thoroughly recommend it.

Finally, have a great summer.

PRESIDENT'S REPORT

As ever at the EAF, the last three months has been a busy time with the EAF Print Championship and EAF Annual Exhibition.

The Print Championship saw a small increase in clubs entering and I would like to congratulate PICO who won after a very close finish, with Beyond Group in second place. This year we have an unprecedented six clubs representing the EAF at the

Victoria Andrews collects the EAF Print Championship for PICO.

Visitors enjoying the 2024 EAF Annual Exhibition

PAGB Print Championship in October as four of our clubs did so well at last year's event and so get an automatic entry this year. The results and award-winning prints are on show elsewhere in this Bulletin. My thanks to Hugh Spence our Championship Secretary and his organising team for putting on a great event.

The Annual Exhibition was held in the first two weeks of May and I'm pleased to say there was a modest increase in print entries this year. The Selectors had a hard job as the standard as ever was very high. Congratulations to John McDowall of Cambridge CC for achieving the Best Monochrome Print and Best Colour Print awards and to Sophia Spurgin of Bishop's Stortford CC for achieving the Best Projected Digital Image award. Again, more details are included later in this Bulletin. My thanks to Jim Bennett, our Exhibition Secretary and his team that help throughout the selection and exhibition process.

This will be our last Exhibition at Wingfield Barns. Visitors all agree it's a wonderful setting but so difficult to

get to. Next year we will be at a new venue in Bury St Edmunds.

On a slightly more worrying note, we are short of new judge applicants to replace those who are retiring. Many member clubs have regular competitions which are often the best attended meetings in any club programme. These rely on judges and there is a big advantage in choosing a judge from the EAF Judges' and Lecturer List. EAF judges have attended the Judges Workshop, have reached the required standard to become approved by the EAF.

To maintain a good choice of judges for our clubs we need new recruits. I'd be pleased if clubs would talk to their members who may be interested and emphasise the benefits of becoming a judge, or get them to have a chat the next time an EAF judge comes to the club.

It was a pleasure to attend the Ware & DPS 60th Anniversary lecture in April and listen to the inspirational landscape photographer, Charlie Waite.

Finally, with many clubs slowing down for the mid-year break, can I wish everyone a great summer and plenty of opportunities to make next season's award winning images.

OBITUARY

HOWARD (ANDY) HANSON MPAGB ARPS FIPF AWPf APAGB November 1934 - March 2024

Howard Hanson was born in November 1934, but from an early age was nicknamed Andy, which has remained ever since. He grew up in Wood Green, London and on the outbreak of war was evacuated with his sister Iris, to his grandparents in Nuneaton, returning to London after the conflict.

Andy served as a Cadet in the Air Training Corp where he played the bugle and, with his interest in drumming, taught the drummers in the

group. He worked for a time in Doc Hunts famous drum shop in Central London where many famous musicians came to have their drums made and where Andy made drums for himself. He then went on to study at Enfield Technical College leaving to become a draftsman, hence his many graphic photographs. He later joined the Post Office as a maintenance engineer, a Company he remained with for 34 years, until his retirement in 1997. His later years were spent as Manager of Cambridge Sorting Office where he was responsible for the maintenance, not only of Cambridge, but other Sorting Offices in Suffolk, Essex and Hertfordshire.

Andy met Daphne in 1970 when she auditioned as a singer with the Trevor Blaber Set, a small dance band who played most weekends at local functions, such as weddings and community events in the area. Daphne got the job as their resident singer and with Andy as the drummer they enjoyed many years making music together. They went on to marry in 1971. Andy also played jazz from time to time with a trio in Cambridge, which was his preferred music genre.

At that time Andy was also developing and printing his own photographs and to encourage Daphne to share his hobby, they enlisted at the local Village College on a six-week photography course. Daphne had said, she was fed up sitting in the car waiting for him hours on end while he went

to take photographs and thought if you can't beat them, join them. Once the course finished, the nine attendees founded the Burwell Photographic Club in 1973, which later became Bottisham & Burwell PC when the club moved to Bottisham. Andy and Daphne were two of the three remaining founder members. Andy was an active member of the club for over 50 years until his passing, gaining many awards and accolades over the years.

Andy was a talented photographer and a popular speaker who entertained camera club members for many years with his lectures.

In 1985 Andy joined The EAF Executive Committee and took on the role of Judges' Officer, a post he held for eight years. In 1994 he entered for the DPAGB and on winning this award took on the role of the PAGB Awards Officer for the EAF until 2013. He later went on to achieve the coveted MPAGB in 2005, which was his greatest achievement. He was elected President of the EAF for the years 2006 and 2007.

In 1997, Andy and Daphne were both presented with the Award for Meritorious Service, by the then President of the PAGB, Terry Chapman. In addition, Andy gained Fellowship of the Irish Photographic Federation, Associate of the Royal Photographic Society and Associate of the Welsh Photographic Federation. He also regularly entered the London Salon Exhibition and was awarded two Gold Medals, one in 2019 for his print 'Males Only' and one in 2023 for 'The Blue Seat'.

Our condolences go to Andy's wife Daphne and his daughter Debra Jane by a previous marriage.

A message from Daphne Hanson

I would like to thank everyone who sent their condolences and best wishes on the sad death of my husband Andy on 22nd March and to those who attended his funeral at Bury St Edmunds Crematorium on the 17th April. I cannot express the comfort and warmth that I have received from everyone and I continue to receive at this sad time. Thank you all.

MPAGB EFIAP HonPAGB

As this edition of the Bulletin was about to be published, we received the sad news of Irene's death. There will be a full tribute in the next edition.

HON GENERAL SECRETARY

Since my last report for the Bulletin I regret that two of our Past Presidents have sadly passed away. You can read elsewhere in this edition an obituary for Andy Hanson, a great personality in our Federation. We have also heard recently that Irene Froy died in the past few weeks. Irene was a member of the EAF Executive Committee for a number of years and served as President in 1984. Those of us who have been lucky enough to have benefitted from the encouragement and inspiration given by both Andy and Irene will be reflecting on these lives.

This is the time of year when I email club secretaries for confirmation of details of club contact information. This year this includes a note that the Executive Committee are considering discontinuing the printed form of the EAF Club Directory and publishing the information on line. We are asking Secretaries to let us have their club's views on this change. If you have any thoughts about this please pass them to your Club Secretary or get in touch with me directly at: secretary@eaf.org.uk

The award for the Best Projected Digital Image went to Sophia Spurgin ARPS DPAGB of Bishop's Stortford CC for 'Fungi and Fairy Dust'. The 2024 Exhibition statistics were: Monochrome prints: 96 members entered 315 prints of which 67 were accepted for the exhibition.

Best Projected Digital Image: 'Fungi and Fairy Dust' by Sophia Spurgin ARPS DPAGB of Bishop's Stortford CC.

JUDGES' SECRETARY

We opened the booking system for the Judges' Workshop in February and to date have received no applications. This is a concern to myself as the Judges' Secretary but I expect more of a concern to your Club Programme Secretary. As I travel around clubs throughout the season, I am often told that we need more judges. It is not me that creates judges; it is club members that put themselves forward to become a judge that increases numbers. In the last two workshops we have appointed a higher percentage of judges from the number of delegates that have applied than previous years. The challenge we face is simple - not enough people are willing to become a judge. I would ask all clubs to encourage anyone that feels they have the makings of a judge to come along to the workshop in November. If anyone wishes to talk to me about

St Ives Interprint 2024 - see page 23 for a full report.

judging, what is involved, what we expect from you etc then please do e-mail me and we can get in touch. If a club would like to know what happens in a Judges' Workshop, then I can bring that experience to your club one evening where I will run through the process and give your members the opportunity to try their hand at critiquing images. Being a judge is a voluntary role within the EAF. It can be very rewarding, and I have found a great way to meet and spend time with fellow Federation photographers. AWARDS SECRETARY

The most recent adjudication took place over the weekend of 27th/28th April 2024 at Basingstoke, hosted by the Southern Counties Photographic Federation. It was a well-run weekend, although the hall was a little on the cool side, but there was plenty of space. There were 126 applications nationwide with 25 applicants from our Federation, many of whom attended. Those who were successful were able to collect their respective badges from the President Elect, David Gibbins, ARPS EFIAP/b BPE 5* APAGB, who was deputising for PAGB President, Daphne Hanson. Of our 25 applicants, 17 have been successful over four levels. Unfortunately, the certificates will not be available until late May, and by then most clubs will have closed for the summer recess so most of the certificates will have to be mailed. We can now offer our congratulations to the following successful members:-
Credit Prints: Lachlan French ARPS CPAGB from Saffron Waldon CC, Jan Bond CPAGB from Halstead & DPS, Helen Mackay LRPS CPAGB AFIAP from St Neots & DCC, and Hilary Knight CPAGB from Colchester PS.
Credit PDIs: Mark Glenister CPAGB BPE3* from Biggleswade & DCC, Keith Gypps ARPS CPAGB from Cambridge CC, Stephen Laws LRPS CPAGB, from St. Ives PC, Jennifer McDonald CPAGB, from Chelmsford CC, Charles Phillips CPAGB from Bury

St. Edmunds PS, and Derek Nimmo CPAGB BPE 1* from PICO.
Distinction Prints: David Morement DPAGB BPE 1* from Hoddesdon CC, Peter Baker DPAGB LRPS from Royston PS and Carol Martin DPAGB LRPS from Bury St. Edmunds PS.
Distinction PDIs: Chris Pugh DPAGB BPE 1* from Colchester PS and Ian McDonald DPAGB from Chelmsford CC.
Excellence Prints: Bob Coote EPAGB from Royston PS and Derek Howes EPAGB from Colchester PS.
Bob and Derek are our first two members in the Federation to achieve the new EPAGB (Excellence) award. To date we have had no applications for the new B (Badge) awards. Also, at this adjudication we had no Masters applications.
The books are open for the November adjudication. It was due to be held in South Wales, but sadly they couldn't find a suitable venue. However, the PAGB team will now be running the weekend at The Winsford Academy, Cheshire. Further details will follow. To date we have 6 applications.
As many of you are aware, we run an annual Advisory Day for the benefit of those of you who are interested in applying for PAGB Accreditation. These advisory days are well worth attending; it won't guarantee a successful result but many applicants do find it very useful to assess where they might be in the process.
We will again be running our annual

Foxton Village Hall,

Foxton is situated south west of Cambridge, five miles from the M11 at junction 10. The centre is fully accessible for the disabled.

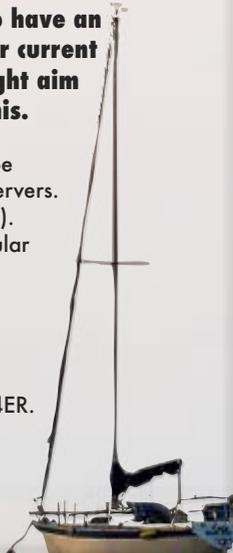

The advisory day will be led by Rod Wheelans with other members of the PAGB APM Team.

In the morning they will clearly explain the various PAGB Photographic Awards and the standard of work necessary to achieve the BPAGB, CPAGB, DPAGB, EPAGB and MPAGB distinctions.

In the afternoon delegates will get the opportunity to have an initial panel of work assessed to give an overview of their current standard, plus guidance about which level they might aim for and what they will need to do to achieve this.

The cost of the event, including light refreshments, will be £24.00 for those requiring assessments and £12.00 for observers. (Please note that lunches are not available at the venue). Numbers will be limited and the event is likely to be popular so an early application is recommended.

A completed application form, together with your cheque payable to EAF, should be sent to: Vic Hainsworth ARPS DPAGB APAGB, 5 Magazine Farm Way, Lexden, Colchester, Essex CO3 4ER.
E-mail: AwardsOfficer@eaf.org.uk
Applications to be received by no later than Monday, 19th August 2024.

I have had several people from outside our Federation showing interest in attending. We run this event for our own EAF members but if we don't get the required number we lose money, resulting in an 'unhappy

Treasurer'. Currently we are 60% full, so if you are interested, could I ask you to book with me sooner rather than later. I will not open it out to other Federations until mid-June. I look forward to hearing from a few more of you soon.

CLUB PROFILE

BIGGLESWADE & DCC

This year BDCC celebrates its 50th Anniversary - the present club began in 1974. One of those attending the inaugural meeting, Chris Davies ARPS DPAGB BPE2*, remains an active member. A National Lottery grant helped our conversion to digital and a successful recent application for Gift Aid has boosted club funds. Countrywide members include those from London, Scotland, the Lake District and New Zealand. Numbers have varied peaking at around 65, dropping during Covid. BDCC quickly moved online, running almost every meeting, except for print competitions. Numbers are returning towards their pre-Covid level. The club has met at various venues, but is now settled in the Weatherley Centre, Biggleswade, on Thursday

evenings from September to April. Additional groups meet separately, including, each month a photographic outing, a Zoom Critique Group, a Photo Challenge run by Ben Pike (EAF judge) and a bi-monthly Studio Group. In addition there is an annual Photo Walkabout, where members are challenged to obtain an image for each of six revealed topics. 2024 sees Chairman of the past six years, Brian Hunt, hand over to Ian Gostelow ARPS DPAGB BPE4*. 2023-24 was very successful with excellent and well-known speakers including Kevin Pigney, Roy Essery, Andy Sands, Mark Gilligan and Chris Palmer as well as the David Tyler Memorial Wildlife Lecture by Bob Brind Surch and the John Clark Humorous Image Knockout Competition, in honour of two of our late members. Although fiercely competitive, the

emphasis has always been on retaining the friendly and encouraging character of the club and prospective members, visitors and even photographic judges are warmly welcomed and as a bonus there is a bar! Most competitions include sections for PDIs and prints including panel competitions and those with set subjects. All entries and results are managed online.

Members also get regular acceptances and awards in exhibitions run by FIAP, BPE and EAF where, this year there were six acceptances including a Highly Commended for 'Scramble'. The club encourages members to take photographic awards for RPS and PAGB and twelve members currently hold such qualifications.

Results for interclub competitions, managed by Mark Glenister CPAGB BPE3*, continue to improve, with a third place in the Cambridge Digital competition and first places in the Central Club Challenge and the annual Ampthill/Bedford/Biggleswade Battle. During the past 50 years the club has been successful in many interclub competitions making it to the Warwick PAGB Championship on several occasions. In 1996 the club was featured in Amateur Photographer magazine with an image by Pat Phillips on the front cover.

The club has three honorary members: past Programme and Competition Secretaries and Chairmen, Chris Davies and Dave Smith; and previous Secretary Pat Phillips MBE who

ST IVES INTERPRINT

On 24th February 2024, St Ives Photographic Club held the 42nd consecutive running of their well respected annual Interprint Competition.

The event this year attracted 23 clubs, members of the EAF and neighbouring Federations, who each entered six prints on an open theme. This is an increase over last year's entry and shows a positive trend as clubs resume print competitions after the pause caused by the Covid pandemic.

The prints were judged by Erica Oram CPAGB AFIAP BPE3*, a PAGB judge and a member of Sheffield Photographic Society, Gamma Photoforum

and the London Salon.

Interprint is not only a competition, but also an all-day exhibition of the high-quality photographic prints, showcasing the talents and skills of the participating clubs. The prints were displayed in the St Ives Free Church for the general public to view and enjoy, as well as members of visiting clubs, prior to the judge's comments in the evening.

The judge's comments session was attended by representatives of the participating clubs; Erica Oram provided a critique on each print, giving scores out of 20. A half-time refreshment break gave everyone a chance to catch-up and discuss the images prior to discovering the final scores.
